## Data and Privacy Policy

This Privacy and Data Protection Policy is governed by the General Law for the Protection of Personal Data (LGPD – Law No. 13.709/2018), which establishes principles, rights, and obligations related to the collection, use, storage, and deletion of personal data in Brazil.

**What data we collect:** name, email address, physical address, payment information, and other data necessary to provide our services.

- How we use the data:
- To identify and authenticate the user.
- To improve services and products.
- To comply with legal obligations.
- To prevent fraud and illegal activities.

**Data sharing:** only with third parties when necessary (e.g., banks, courier companies, legal authorities), always under confidentiality agreements.

**Security:** Data is stored in secure systems with restricted access and cybersecurity measures in place to prevent loss, unauthorized access, or data leaks.

### User rights:

- Access their data.
- Correct incorrect information.

- Request deletion or anonymization.
- Withdraw consent.
- Know with whom their data is shared.

**Data deletion:** data is deleted when no longer necessary, when the user withdraws consent, or by order of a competent authority.

**Basic principles:** legitimate purpose, transparency, security, prevention of harm, and non-discrimination.

**I sign this document to signify my agreement with and commitment to the provisions of this Data and Privacy Policy.**
